Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Monday 26 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Scattered showers, possibly thundery. Feeling cooler after Monday.

This Evening and Tonight:
A cloudy evening for many with heavy scattered showers edging in from the west overnight, possibly thundery in places. Breezy along the coast overnight, especially Cornwall. Feeling warm and humid. Minimum temperature 14 deg C (57 deg F).

Tuesday:
It will be a cloudy start with scattered showers, becoming more widespread throughout the day. A few bright spells developing along with a stronger breeze. Feeling cooler for many. Maximum temperature 22 deg C (72 deg F).

Outlook for Wednesday to Friday:
Unsettled throughout the period with scattered thundery showers, locally heavy, affecting the region. Some more persistent rain with risk of hail will develop during Thursday afternoon. Feeling cooler and breezy.
